Stokes Seeds • 1-800-263-7233 • www.StokeSeeds.com

NOTE: Seed is a live product which depends on many important related grower skills such as proper planting time, seed depth, type of soil, irrigation, proper use of fertilizers, weed controls, fungicides, insecticides, disease free soil, and reasonable weather conditions during the growing period. These factors are totally out of the seedsman's control and are the growers responsibility and risk. Our seed cannot be unconditionally guaranteed to perform properly - regardless of weather conditions or the growers methods or mistakes. Rev. 11/12
